

AUTO SEARCH

the new "Auto Search" feature which will automatically search that keyword every 7 days to see if there's any new domains available.

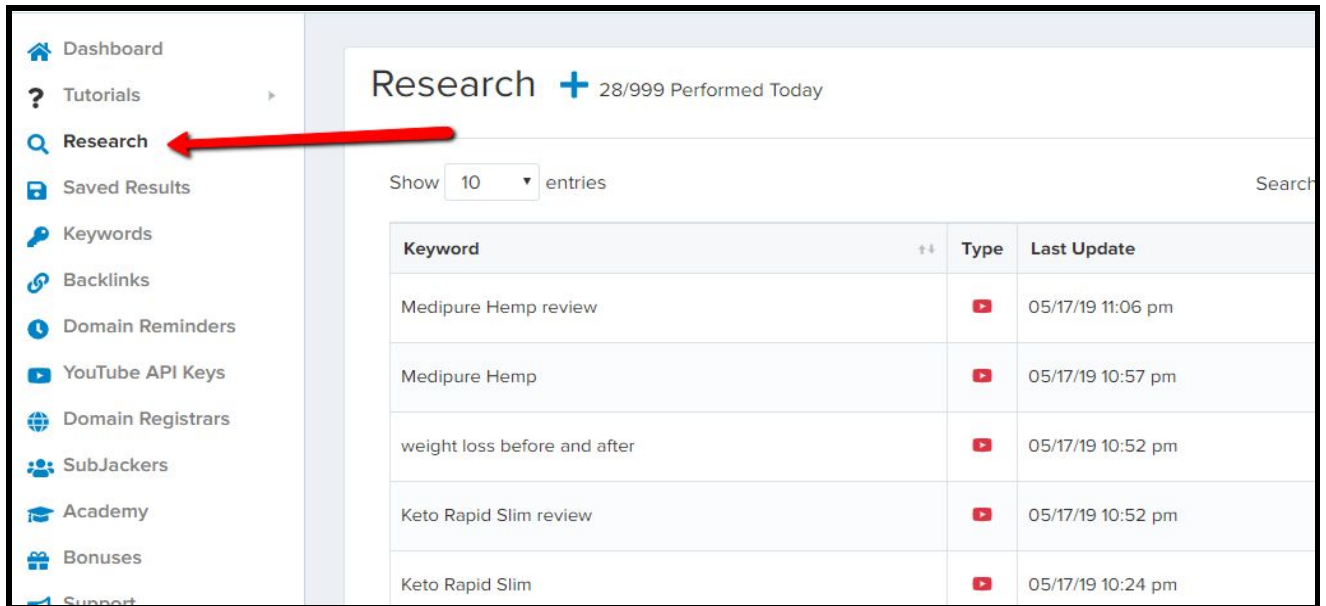

1.) Click on the "Magic Wand" icon which will appear on every search made.

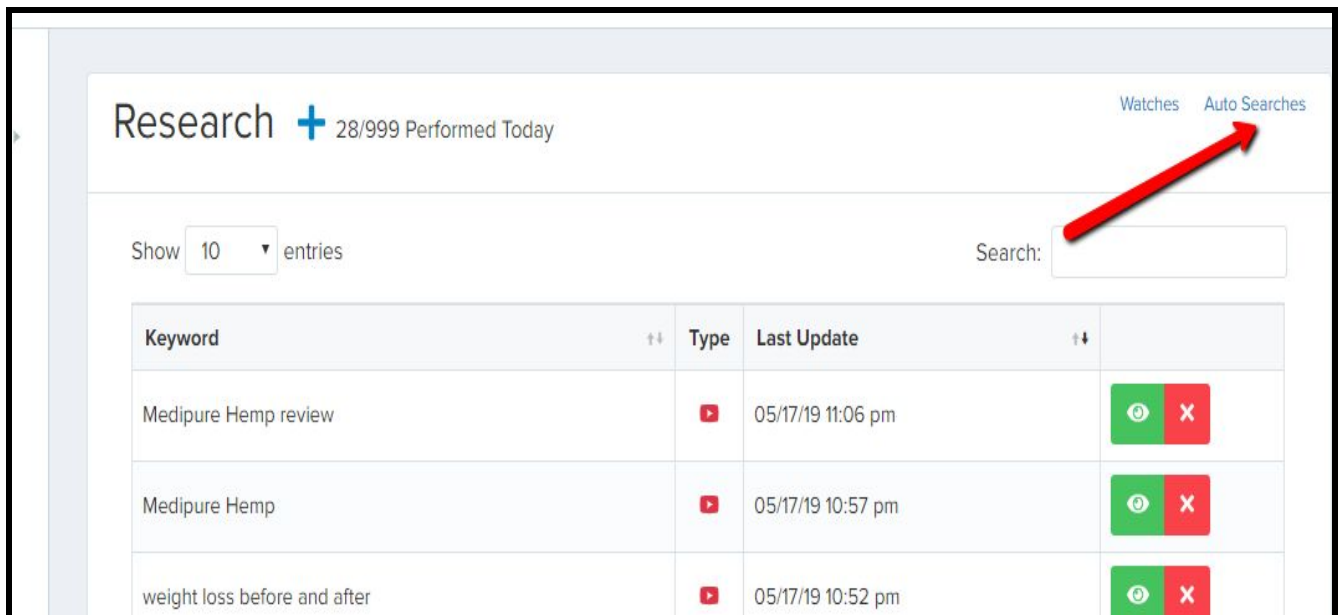

2.) Click on **enable** to activate the Auto Search function on the keyword. **Once activated, you will be notified through email if there's an available domain.**

3.) After **activating Auto Search**, you can check on it's status by **going to Research Tab**.

4.) and then **click on Auto Searches**

5.) Here's a preview of the **AutoSearch** Page, you can either **click** on the **Eye** icon to go to the results or click on the **X** button to **deactivate** AutoSearch feature on that keyword.

NOTE: Current Auto Search limits are 10 for MTJ Pro and 20 for MTJ Elite users.

Available domains found by members: **52,016**
